MESSAGE FROM THE DESK OF THE PRINCIPAL

“Education is the foundation upon which individuals build their futures and societies develop. It empowers people to think critically, solve problems, and understand the world around them. More than just acquiring knowledge, education fosters creativity, cultivates empathy, and equips individuals with the skills necessary to navigate an ever-changing world. It is a lifelong journey that transcends classrooms, shaping both personal growth and collective progress. Through education, we unlock the potential within each person and create a brighter, more informed future for all.”

The unstoppable growth of Anthonians proved the remarkable achievements in the last academic year in terms of academic performance and extra-curricular activities. Every effort made by the teaching staffs yielded fruits in the holistic development of the students. Our heartfelt wishes of gratitude to everyone and best wishes to the students and the staff for the upcoming session 2026-27. Special thanks to all the parents and the well-wishers for years of uncompromising trust and confidence in St. Anthony’s School.
